

CVOR1812-2Way-Kit

CVOR1812 - 2-Way Vehicle on Ramp Warning Sign Kit

THE ENGINEERING IS DONE

Intelligent Warning Systems and Signs

Details

Part Number	CVOR1812-2Way-Kit
Part Name	CVOR1812 - 2-Way Vehicle on Ramp Warning Sign Kit
Type	Collision Avoidance, Kits
Dimensions	18"H x 12"W x 2"D
Material	Metal body and acrylic front
Finish	Powder coated white
Rating	Outdoor covered rated
Controller	PSC-5 Sign Control Board

- Complete Kit ready for Install
- Add more signs and sensors for multiple directions
- Cross-Traffic collision avoidance sign
Use for blind ramps
- Warn drivers on possible collision
- Bright sign with clear message
- 12VDC operation

Solution

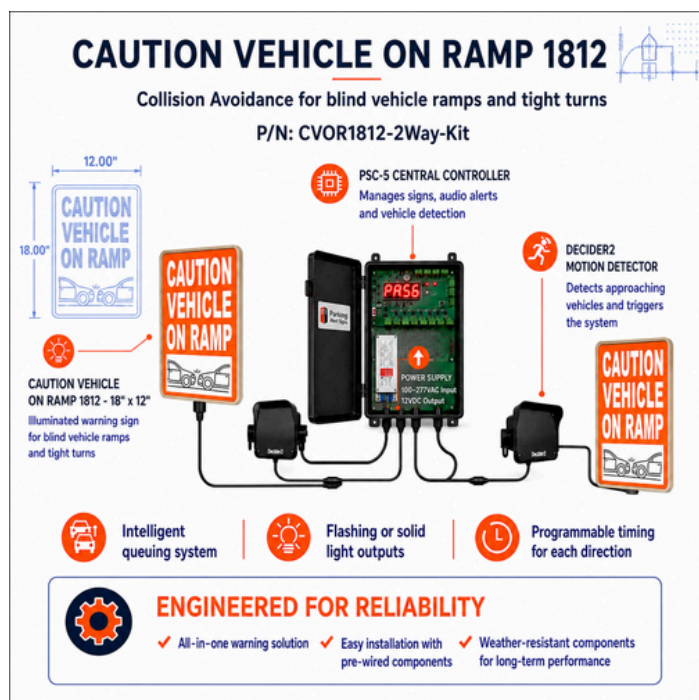

Warns drivers at both ends of a blind ramp or shared vehicle passage that another vehicle may be on the ramp or approaching.

Description

The CVOR1812 2-Way Vehicle on Ramp Warning Sign Kit includes two illuminated CAUTION VEHICLE ON RAMP signs, the PSC-5 Central Controller, and two Decider2 vehicle motion detectors. This warning-only system alerts drivers at both ends of a ramp when vehicle activity is detected, helping reduce the chance of vehicle conflicts.

Operations

This KIT uses Decider2 intelligent vehicle motion detectors to activate the system. When a vehicle enters from one direction, the PSC-5 activates the opposite warning sign to alert approaching drivers that a vehicle may be on the ramp. The system does not assign right-of-way or control traffic lights; it provides timed visual warning alerts only.

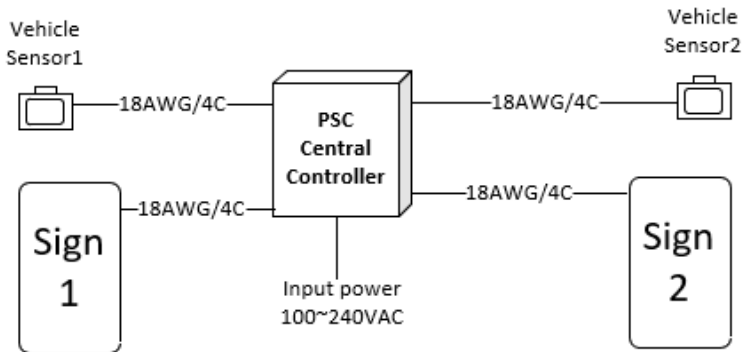

Includes

- (2) CVOR1812 Caution Vehicle on Ramp Signs
 - (1) PSC-5 Central Controller with PS126A power supply
 - (2) Decider2, Intelligent vehicle motion detectors
- Add more signs and sensors to a single controller**

Common Cabling

Collision Avoidance common cabling

Application

Blind parking ramps
Helix ramps
Warehouse ramps
Ramp exits
Tight vehicle turns
Covered parking facilities
Shared vehicle passages

Triggers Accessories

Decider2
LD-01
PS-Narrow

EP720404

Engineered Kits

CAUTION VEHICLE ON RAMP 1812
Collision avoidance sign for blind vehicle ramps and tight turns
P/N: CVOR1812

DIMENSIONS

Features

- Covered rated sign
- 18" H x 12" W compact size
- 12VDC input power
- Bright LED illuminated background
- Flashes with PSC-5 control board
- Includes wall mounting bracket

Applications

- Blind ramps in parking garages
- Warehouses
- Parking facilities
- Helix ramps
- Ramp exits

High-visibility LEDs | **12VDC input power** | **Wall mounted warning sign**

ENGINEERED FOR RELIABILITY

- ✓ Covered rated housing
- ✓ Bright LED illumination
- ✓ Built for blind ramp warning
