

CVOR1812

CVOR1812 - Caution Vehicle on Ramp Sign

THE ENGINEERING IS DONE

Intelligent Warning Systems and Signs

Details

Part Number	CVOR1812
Part Name	CVOR1812 - Caution Vehicle on Ramp Sign
Type	Collision Avoidance
Dimensions	18"H x 12"W x 2"D
Material	Metal body and acrylic front
Finish	Powder coated white
Rating	Outdoor covered rated
Controller	PSC-5 Sign Control Board

- See back page for Engineered Kits
- Cross-Traffic collision avoidance sign
- Use for blind corners on ramps
- Warn drivers on possible collision
- Use with PSC-5 for Flashing and Audio alerts
- Can be used with multiple directions
- Bright sign with clear message
- 12VDC operation

Solution

Warns drivers that another vehicle may be on a ramp, blind turn, or shared vehicle passage before entering the conflict area.

Description

The CVOR1812 Caution Vehicle on Ramp Sign provides a high-visibility illuminated warning for parking ramps, blind turns, and shared vehicle passages. Designed as a warning-only collision avoidance sign, it alerts drivers that a vehicle may be present on the ramp or approaching from the opposite direction.

Operations

The Sign uses a Trigger Device to activate the system. When activated the CAUTION VEHICLE ON RAMP message flashes to warn drivers that another vehicle may be in the ramp or conflict area. The sign stays activated for the programmed timer period until the activation cycle ends. If another vehicle is detected during this period, the Activation Timer will restart.

CAUTION VEHICLE ON RAMP 1812

Collision avoidance sign for blind vehicle ramps and tight turns
P/N: CVOR1812

DIMENSIONS

Features

- Covered rated sign
- 18" H x 12" W compact size
- 12VDC input power
- Bright LED illuminated background
- Flashes with PSC-5 control board
- Includes wall mounting bracket

Applications

- Blind ramps in parking garages
- Warehouses
- Parking facilities
- Helix ramps
- Ramp exits

High-visibility LEDs

12VDC input power

Wall mounted warning sign

ENGINEERED FOR RELIABILITY

- ✓ Covered rated housing
- ✓ Bright LED illumination
- ✓ Built for blind ramp warning

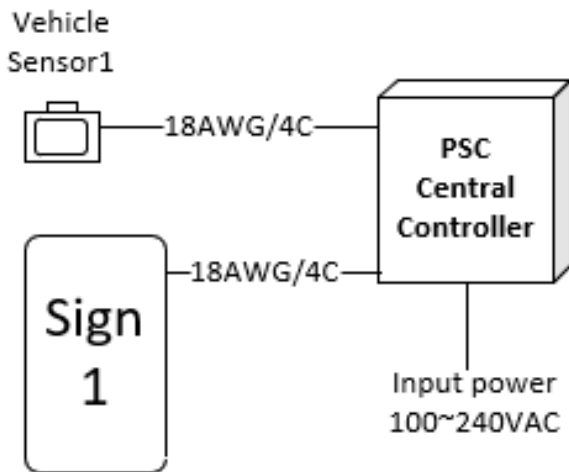

Includes

(1) CVOR1812 Caution Vehicle on Ramp Sign
No trigger device

Add multiple sensors and signs with a single controller.

Common Cabling

Collision Avoidance common cabling

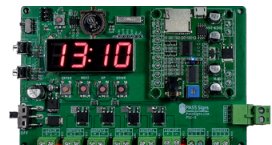

Application

Blind parking ramps
Helix ramps
Warehouse ramps
Ramp exits
Tight vehicle turns
Covered parking facilities
Shared vehicle passages

Triggers Accessories
