

CC4010V2-DL-Dual

Car Coming 4010 - Wide Exit Dual Vehicle Exiting Sign Kit

THE ENGINEERING IS DONE Intelligent Warning Systems and Signs

Details

Part Number	CC4010V2-DL-Dual
Part Name	Car Coming 4010 - Wide Exit Dual Vehicle Exiting Sign Kit
Type	Vehicle Exiting Signs, Kits
Dimensions	40"H x 10"W x 6"D 2-Sided Text
Material	14AWG Aluminum
Finish	Powder coated, hammered copper
Rating	Outdoor rated - direct weather
Controller	PSC-5 Sign Control Board

- Complete Engineered Kit ready for install
- Clear flashing text and voice alerts
- Programmable nighttime audio cut-off timer
- Warn pedestrians of vehicles exiting
- Lower your facility risk and save lives
- Add *Stop and Look for Pedestrians* crossing sign to warn drivers of pedestrians

Solution

Warns pedestrians of vehicles exiting parking garages, blind exits, and drive lanes using a bright illuminated sign and voice alert.

Description

The Car Coming Exit Warning Sign 4010 Dual Sign Kit is designed for wide exits where visibility is needed from multiple angles. The kit includes two CC4010 warning signs, the PSC-5 Control Board, and Decider2 vehicle motion detection. When a vehicle exits, the PSC-5 flashes both signs and plays voice alerts to warn pedestrians.

Operations

This KIT uses a Decider2 intelligent vehicle motion detector to activate the system. When activated the CAR COMING Signs text flashes and the audio plays, "Attention! Vehicle exiting, watch for vehicles." Both signs stay activated for 10 Seconds (adjustable) until the Activation Timer ends. If another vehicles exits during this period the Activation Timer, then the timer will restart.

Audio Cut-Off Timer: Audio can be programmed to turn off audio at designated times for nearby residential.

Includes

- (2) CC4010V2 Car Coming Sign with LEDs and SP2 20W Speaker
 - (1) Central Controller, PSC-5, Control Board with Audio
 - (1) PS126 Power Supply 100-240VAC to 12VDC
 - (1) Decider2, Intelligent vehicle motion detector
- Add additional signs and sensors if needed**

Common Cabling

CC4010VW2-KIT Dual Sign for wide exits common cabling for single sensor Central controller

Engineered Kits

Parking Alert Signs
Engineered safety systems for your parking facilities

CAR COMING 4010

Vehicle Exiting Warning Sign with Control Board and Voice Alerts
P/N: CC4010V2

SYSTEM TRIGGERS
Activate the sign with one of the following triggers

- Vehicle motion detector - Decider2
- Vehicle loop detector - LD01
- Gate open output
- Presence Detector - EchoSense20

BUILT-IN CONTROL BOARD
PSC-5 board mounted inside the enclosure

INTEGRATED AUDIO
Loud, clear alerts increase driver awareness

INTEGRATED POWER SUPPLY
12V 6.3A LED Driver RoHS Certified

CAR COMING 4010 SINGLE SIGN (x1)

- 40" Tall x 10" Wide
- Illuminated 2-Sided Display
- High-Visibility Amber LEDs
- Integrated Audio Alerts
- Built for Long-Term Outdoor Performance

Wall or Post mounted units | Integrated audio alerts | Additional signs and sensors can be added

ENGINEERED FOR RELIABILITY

- All-in-one solution for vehicle detection and driver alerts
- Easy installation with pre-wired components
- Weather-resistant components built for long-term performance

Parking Alert Signs
Engineered safety systems for your parking facilities

CAR COMING 4010

Vehicle exiting system kit with voice alerts
Kit P/N: CC4010V2-DL

BUILT-IN CONTROL BOARD
PSC-5 board mounted inside the enclosure

INTEGRATED AUDIO
Loud, clear alerts increase driver awareness

INTEGRATED POWER SUPPLY
12V 6.3A LED Driver RoHS Certified

CAR COMING 4010 SINGLE SIGN (x1)

- 40" Tall x 10" Wide
- Illuminated 2-Sided Display
- High-Visibility Amber LEDs
- Integrated Audio Alerts
- Built for Long-Term Outdoor Performance

DECIDER2 MOTION DETECTOR
Detects approaching vehicles and triggers the system

Wall or Post mounted units | Integrated audio alerts | Additional signs and sensors can be added

ENGINEERED FOR RELIABILITY

- All-in-one solution for vehicle detection and driver alerts
- Easy installation with pre-wired components
- Weather-resistant components built for long-term performance

Application

Parking garage and lot exits
Blind exit plazas
Mixed pedestrian and vehicle areas
Vehicle ramps

Triggers Accessories

SP1-Speaker

Parking Alert Signs
Equipment Post 72 x 4 x 4
All-weather aluminum mounting post
P/N: EP720404

FEATURES

- Aluminum body
- Powder coated black textured finish
- 72" H x 4" W x 4" D
- 4" base plate
- 2" base plate cover
- Rust resistant
- All-weather construction

APPLICATIONS

- Sign mounting
- Equipment mounting
- Long range radar antenna
- Traffic signs

ENGINEERED FOR RELIABILITY

- Powder coated aluminum
- 72 inch mounting post
- All-weather construction

✓ Rust resistant finish | ✓ Base plate included | ✓ Supports signs and equipment
