

CA4010V2-DL

Caution 4010 - Single Lane Vehicle Exiting Sign Kit

THE ENGINEERING IS DONE Intelligent Warning Systems and Signs

Details

Part Number	CA4010V2-DL
Part Name	Caution 4010 - Single Lane Vehicle Exiting Sign Kit
Type	Vehicle Exiting Signs, Kits
Dimensions	40"H x 10"W x 6"D 2-sided Text
Material	14AWG Aluminum
Finish	Powder coated, hammered copper
Rating	Outdoor rated - direct weather
Controller	PSC-5 Sign Control Board

- Complete Engineered Kit ready for install
- Clear flashing text and voice alerts
- Programmable nighttime audio cut-off timer
- Warn pedestrians of vehicles exiting
- Lower your facility risk and save lives
- Add *Stop and Look for Pedestrians* crossing sign to warn drivers of pedestrians

Solution

Provides a high-visibility CAUTION warning sign and audio alerts for vehicle movement areas, exits, ramps, and industrial traffic points.

Description

The CAUTION Warning Sign 4010 Single Lane Exit Kit includes the CC4010 warning sign, PSC-5 Control Board, and Decider2 vehicle motion detector. When a vehicle exits, Decider2 activates the PSC-5, which flashes the sign and plays voice alerts to warn pedestrians and improve safety at blind exits.

Operations

This KIT uses a Decider2 intelligent vehicle motion detector to activate the system. When activated the Vehicle Exiting text flashes and the audio plays, "Attention! CAUTION, watch for vehicles." The sign stays activated for 10 Seconds (adjustable) until the Activation Timer ends. If another vehicles exits during this period the Activation Timer, then the timer will restart.

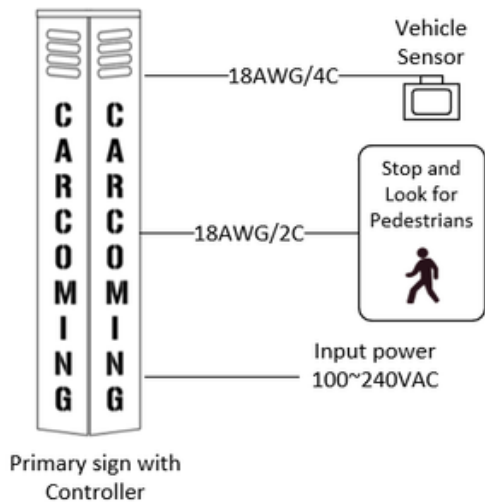

Audio Cut-Off Timer: Audio can be programmed to turn off audio at designated times for nearby residential.

Includes

- (1) VE4010V2 Vehicle Exiting Sign with LEDs and SP2 20W Speaker
 - (1) PSC-5, Control Board with Audio
 - (1) PS126 Power Supply 100-240VAC to 12VDC
 - (1) Decider2, Intelligent vehicle motion detector
- Add additional signs and sensors as needed**

Common Cabling

CC4010V2 common cabling for single sensor and flashing STOP Sign

Application

Industrial vehicle exits; forklift and truck areas; parking facility exits; blind vehicle approaches; loading areas; traffic warning zones.

Triggers

Decider2
LD-01
PS-Narrow

Accessories

SALFP1812
EP720404
SP1-Speaker

Engineered Kits

Parking Alert Signs
Engineered safety systems for your parking facilities

CAUTION 4010

Warning Sign for Transportation with Control Board and Voice Alerts
P/N: CA4010V2

SYSTEM TRIGGERS
Activate the sign with one of the following triggers

- Vehicle motion detector - Decider2
- Vehicle loop detector - LD01
- Gate open output
- Presence Detector - EchoSense20

CAUTION 4010 SINGLE SIGN (x1)

- 40\" Tail x 10\" Wide
- Illuminated 2-Sided Display
- High-Visibility Amber LEDs
- Integrated Audio Alerts
- Built for Long-Term Outdoor Performance

ENGINEERED FOR RELIABILITY

- All-in-one solution for vehicle detection and driver alerts
- Easy installation with pre-wired components
- Weather-resistant components built for long-term performance

Parking Alert Signs
Engineered safety systems for your parking facilities

CAUTION 4010

Dual signs for truck yards
Kit P/N: CA4010V2-DL-Dual

CAUTION 4010 DUAL SIGNS (x2)

- 40\" Tail x 10\" Wide
- Illuminated 2-Sided Display
- High-Visibility Amber LEDs
- Integrated Audio Alerts
- Built for Long-Term Outdoor Performance

ENGINEERED FOR RELIABILITY

- All-in-one solution for vehicle detection and driver alerts
- Easy installation with pre-wired components
- Weather-resistant components built for long-term performance
