Details

Part Number	EP720404
Part Name	72 x 4 x 4 Equipment Post
Type	Equipment mounting post
Dimensions	72 H x 4 W x 4 D in
Material	Aluminum
Finish	Black textured powder coat
Rating	Rust-resistant / all-weather
Base Plate	8 x 8 in; cover included

Solution

A durable mounting post for warning signs and field equipment in parking, traffic, and access-control environments.

Description

The EP720404 is a 72-inch-tall aluminum post with a compact 4-inch-square profile. Its black textured powder-coated finish provides a clean appearance and weather-resistant support for outdoor equipment.

Applications

Use for mounting illuminated warning signs, traffic lights, long-range reader antennas, access-control equipment, and other field devices. The included base-plate cover conceals mounting hardware for a finished installation.
