

PEDXING3607-Kit

PEDXING3607 - Pedestrian Crossing Warning Sign Kit

THE ENGINEERING IS DONE Intelligent Warning Systems and Signs

Details

Part Number	PEDXING3607-Kit
Part Name	PEDXING3607 - Pedestrian Crossing Warning Sign Kit
Type	Pedestrian Crossing, Kits
Dimensions	36"H x 7"W x 8"D 3-sided Text
Material	14AWG Aluminum
Finish	Powder coated, hammered copper
Rating	Outdoor rated - direct weather
Controller	PSC-5 Control Board

- Add as many Sensors, Push buttons, and Signs as you need. You can add audio alerts.
- Detects pedestrians and warns drivers
- Avoid deadly vehicle vs people accidents
- Bright sign with clear message
- Optional "Look for vehicles" audio alerts for pedestrians looking at their phones

Solution

Detects pedestrian activity and activates a three-sided illuminated PED XING sign to warn vehicle drivers approaching the crossing area.

Description

The PEDXING3607 Pedestrian Crossing Warning Sign Kit includes one three-sided illuminated PED XING sign, the PSC-5 Central Controller, and two Decider2 motion detectors. The system warns vehicle drivers when pedestrian activity is detected near a crosswalk, parking lot crossing, garage aisle, or mixed-use pedestrian area.

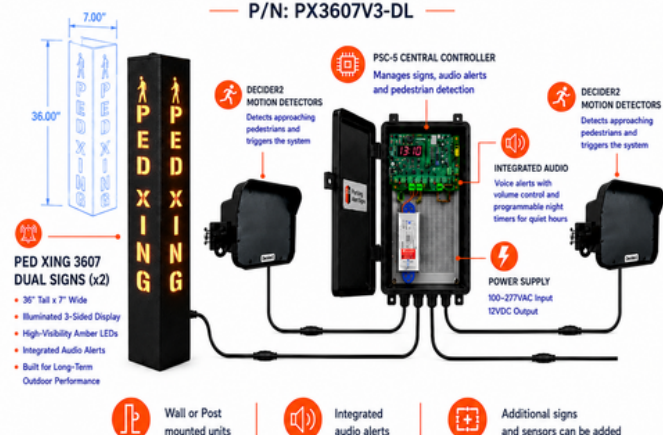

Operations

This KIT uses Decider2 intelligent motion detectors to activate the system. When pedestrian activity is detected, the PSC-5 activates the PED XING warning sign for the programmed timer period. The sign flashes to alert vehicle drivers to slow down, watch for pedestrians, and proceed carefully through the crossing area.

PED XING 3607

Dual signs for pedestrian crosswalk warning system

P/N: PX3607V3-DL

ENGINEERED FOR RELIABILITY

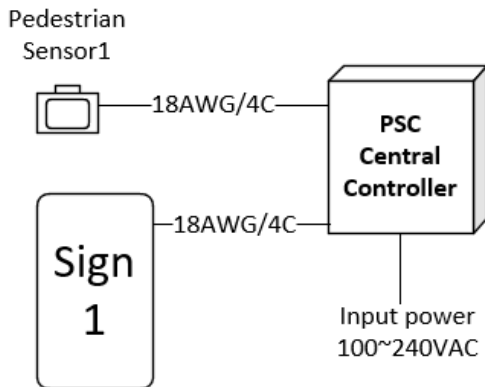

- ✓ All-in-one solution for pedestrian detection and driver alerts
- ✓ Easy installation with pre-wired components
- ✓ Weather-resistant components and reliable performance in all conditions

Includes

- (1) PEDXING3607 Pedestrian Crossing Warning Sign
 - (1) PSC-5 Central Controller with PS126A power supply
 - (2) Decider2, Intelligent motion detectors
- Add additional signs and sensors as needed**

Common Cabling

Pedestrian Detection 1812 Sign common cabling

Engineered Kits

PED XING 3607

Pedestrian crosswalk warning system

P/N: PX3607V3

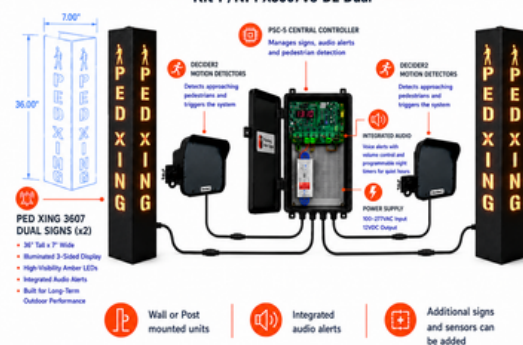

ENGINEERED FOR RELIABILITY

- ✓ All-in-one solution for pedestrian detection and driver alerts
- ✓ Easy installation with pre-wired components
- ✓ Weather-resistant components and reliable performance in all conditions

PED XING 3607

Dual signs for pedestrian crosswalk warning system

Kit P/N: PX3607V3-DL-Dual

ENGINEERED FOR RELIABILITY

- ✓ All-in-one solution for pedestrian detection and driver alerts
- ✓ Easy installation with pre-wired components
- ✓ Weather-resistant components and reliable performance in all conditions

Application

Pedestrian crossings
Parking lots
Parking garages
Crosswalk approaches
Schools and campuses
Large pedestrian areas
Mixed vehicle-pedestrian zones

Triggers Accessories

Decider2
PS-Narrow

EP720404
