

SALFP1812

SALFP1812 - Stop and Look for Pedestrians Accessory Sign

THE ENGINEERING IS DONE

Intelligent Warning Systems and Signs

Details

Part Number	SALFP1812
Part Name	SALFP1812 - Stop and Look for Pedestrians Accessory Sign
Type	Accessory Sign
Dimensions	18"H x 12"W x 2"D
Material	Metal body and acrylic front
Finish	Powder coated white
Rating	Outdoor covered rated
Controller	PSC-5 Sign Control Board

- Accessory add-on for Vehicle Exiting signs
- Flashes only when the parent sign is activated
- Improves driver awareness at pedestrian crossings
- Bright 18" x 12" illuminated message
- 12VDC operation
- Can work independent with flashing circuit

Solution

Adds a bright STOP AND LOOK FOR PEDESTRIANS warning to vehicle-exiting systems at garage exits, sidewalks, and mixed-use areas.

Description

The SALFP1812 is an 18 x 12 illuminated accessory sign for Vehicle Exiting systems. It adds a dedicated STOP AND LOOK FOR PEDESTRIANS warning where vehicles cross sidewalks, walkways, or other pedestrian paths. The sign connects to the existing PSC-5 controller and operates with the parent warning sign.

Operations

The SALFP1812 connects to an existing Vehicle Exiting Sign PSC-5 control board. When the parent vehicle-exiting sign is activated by its trigger device, the SALFP1812 flashes for the same activation cycle. It does not operate independently and includes no controller or trigger device.

Includes

(1) SALFP1812 accessory sign

Uses existing PSC-5 Vehicle Exiting Sign controller
No controller or trigger device included

Application

Vehicle exiting systems
Parking garage exits
Blind vehicle exits
Sidewalk crossings
Pedestrian walkways
Mixed vehicle-pedestrian areas

Compatible VES Signs

CC4010V2
VE4010V2
CA4010V2

CAR1806V3
CC4807V4

Wiring

CC4010V2 common cabling for single sensor and flashing STOP Sign
