

SLPD1812-KIT-2Way

SLPD1812-KIT Pedestrian Detected Warning Sign Kit for 2 directions

THE ENGINEERING IS DONE

Intelligent Warning Systems and Signs

Details

Part Number	SLPD1812-KIT-2Way
Part Name	SLPD1812 - Pedestrian Detected Warning Sign Kit for 2 directions
Type	Pedestrian Crossing, Kits
Dimensions	18"H x 12"W x 2"D
Material	Metal body and acrylic front
Finish	Powder coated white
Rating	Outdoor covered rated
Controller	PSC-5 Sign Control Board

- Add as many Sensors, Push buttons, and Signs as you need. You can add audio alerts.
- Detects pedestrians and warns drivers
- Avoid deadly vehicle vs people accidents
- Bright sign with clear message
- Optional "Look for vehicles" audio alerts for pedestrians looking at their phones

Solution

Detects pedestrian activity and activates illuminated Stop and Look warning signs to alert drivers at crossings, blind corners, vehicle exits, and pedestrian conflict areas.

Description

The SLPD1812 Pedestrian Detected Warning Sign Kit includes two illuminated STOP AND LOOK PEDESTRIAN DETECTED signs, the PSC-5 Central Controller, and two Decider2 detectors. The system warns drivers when pedestrian activity is detected near a crossing, blind corner, vehicle exit, or shared pedestrian area.

Operations

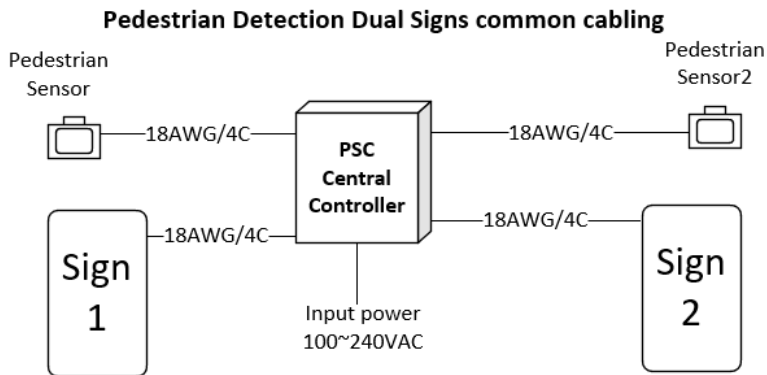

This KIT uses Decider2 intelligent motion detectors to activate the system. When pedestrian activity is detected, the PSC-5 activates the warning signs for the programmed timer period. The signs flash to alert drivers to stop, look, and proceed carefully before entering the crossing or conflict area.

Includes

- (2) SLPD1812 Stop and Look Pedestrian Detected Signs
 - (1) PSC-5 Central Controller with PS126A power supply
 - (2) Decider2, Intelligent motion detectors
- Add additional Signs, Sensors, or Push Buttons as you need.

Common Cabling

Engineered Kits

Application

Pedestrian crossings
 Parking garages
 Blind corners
 Crosswalk approaches
 Vehicle exit areas
 Mixed-use pedestrian zones
 Sidewalk conflict areas

Triggers Accessories

Decider2
 PS-Narrow

EP720404
